

COVID-19 Emergency Grants for Small Businesses

Over the last year, Washington State has provided small businesses throughout the state with more than \$125 million in grants to address the economic outfall of COVID-19. This effort continues with a new round of grant opportunities being managed by the Washington State Department of Commerce.

Working Washington Grants: Round 4

Apply

Working Washington Round 4 offers grant relief funds to small for-profit businesses, especially those that were required to close due to public health and safety measures.

Priorities for funding are:

- Businesses required to close.
- Businesses with lost revenue as a result of closure.
- Businesses with added expenses to maintain safe operations.
- Equitable distribution of grant funds across the state and to businesses owned and operated by historically disadvantaged individuals.
